

RES 2

Res 2 is the classic horn-loaded, full range Funktion-One loudspeaker. The driver complement comprises a 15" for bass, an 8" for midrange and a 1" for high frequencies.

Funktion-One's waveguide and driver technology produces clear, involving and powerful sound. The Res 2's unique combination of size, high efficiency and sonic excellence make it ideally suited to a wide range of uses.

This loudspeaker resolves the requirement for quality, response and level from a small source. Res 2 systems can be supplemented with additional Funktion-One bass including Infrabass, BR Series or F Series enclosures. A slightly larger horizontal version (R2U) is available for installation in venues with low ceiling heights.

Features:

- Full range, standalone enclosure
- Fully horn loaded for high efficiency
- Three-way (biamp) (passive HF)
- Funktion-One designed drivers
- Optional yoke for install flying or stand mounting
- Fitted with M10 flypoints
- Optional wheelboard
- Optional scrim for discrete appearance
- R2S8 and R2SH mid/mid-high versions also available

Frequency Response (-3dB):

60Hz - 18kHz

Weight:

48kg (106lbs)

Nominal Dispersion:

50° Horizontal x 25° Vertical

Connectors:

2 x Neutrik NL4

Driver	Crossover Frequencies	Sensitivity (at 1m)*	Power (AES)	Nominal Impedance
15"	35Hz - 250Hz	102dB at 2.8V	400W	8Ω
8" + 1"	250Hz - Up	106dB at 4V	200W	16Ω

*Measured in free field
